Mid-Winter Check-up

Puttering Pete reminds you that even though we haven't had a harsh winter there is still time to :

- * Change the furnace filter
- * Check that your thermostat is working properly
- * Look for air leaks and seal
- * Check your smoke and carbon monoxide detectors
- * Have your fireplace/chimney cleaned
- * Clean your gutters
- * Insulate your hot water heater

Finish these tasks and we can start thinking about SPRING!
